

# Tax Manager

## Who we are

Wouch, Maloney & Co., LLP is a full-service accounting, tax and business advisory firm that is business-driven, not tax-driven. We're looking for the right people with the right skill sets to understand the client's business plan, see the big picture, and identify opportunities.

Headquartered in Horsham, PA with additional offices in Center City Philadelphia and Bonita Springs, FL, our firm has continuously served closely held businesses with a domestic, multi-state or international presence in a knowledgeable, proactive, caring, and responsive manner for 35 years.

## What you will be doing

As a **Tax Manager** in our growing Horsham office will:

*Engage with our clients* – You will proactively develop strong, trusting relationships with your client groups as you prepare personal and entity tax returns, some of them among the most complex. You will gain a deep understanding of their businesses and how we can help them be successful.

*Take ownership* - As a vital member of our team, you will provide proactive service-focused tax planning and compliance to our valued clients.

*Deliver service excellence* – You will deliver superior, individualized services that may include performing various aspects of tax compliance, projections, preparing responses to tax notices, assistance with special projects. You will ensure that all clients' tax returns are prepared accurately, completely, and timely without exception.

*Lead* – You will demonstrate advanced technical skills in a variety of tax and accounting areas and proactively coach and mentor more junior associates whose skills are still developing.

*Grow the business* – You will develop new client contacts and marketing relationships and look for opportunities to cross-sell our services to existing clients.

*Develop* – You will remain current on new legislation and consistently perform tax research. You will share new information with your colleagues and clients, and schedule periodic tax research training.

## Who you are

You have achieved a bachelor's or master's degree in accounting and have worked 5 or more years in public accounting.

You hold a CPA license.
